Dear Mr. Buchanan:

We are pleased to forward three reels of microfilm which constitute the film record of the card catalogue of the Agency's Historical Intelligence Collection. We regret the long delay but hope that your planned publication of this catalogue becomes a valuable bibliographic aid to researchers and scholars working on the history of intelligence. We would appreciate receiving a copy of the work when published.

The final cost of filming was \$135.75: 24 hours of labor at \$5.00 per hour and 3 rolls of 16mm film at \$5.25 each. Your check should be made payable to the Treasurer of the United States and sent to my office in Room 2E60, Headquarters Building.

Sincerely,

[Redacted Signature]
